

EXECUTIVE DIPLOMA

IN ELECTRICAL AND ELECTRONICS ENGINEERING

2021 intake

Open for Application

Programme Description

The objective of the Executive Diploma in Electrical and Electronics Engineering programme is to provide students with necessary skills, knowledge and expertise to build a career in electrical and electronics industries.

The programme is designed to ensure students are able to find solutions to technical problems in Electrical, Electronics and Digital field. This programme also focuses on hands on skills with some modules conducted in laboratories. Completion of this programme will ensure graduates are ready to study further or proceed with employment.

Awarding Body

Spectrum International College of Technology

Modules

- Electrical Circuit
- Electronic Circuit
- Digital Circuit
- Computer Programming
- Introduction to Renewable Energy
- Engineering Laboratory
- Occupational Safety and Health
- Engineering Mathematics
- Principle of Management
- English Proficiency

Grading

70% - 100%	: Distinction
60% - 69%	: Merit
50% - 59%	: Pass
40% - 49%	: Tolerated Fail
0% - 39%	: Fail

Assessments

- Individual Assignment
- Group Assignment
- Case Study
- Presentation
- NO EXAMINATION

WHY EXECUTIVE DIPLOMA IN ELECTRICAL AND ELECTRONICS ENGINEERING

- Comprehensive Programme Structure
- Flexible Teaching & Learning Hours – One Day/Month
- Pathway To Executive Programmes In Universiti Malaysia Pahang(UMP) and Local Universities
- Very Reasonable
- E Learning Portal And Online Record System
- Notes Provided
- No Examination
- Graduation Ceremony

PATHWAY PROGRESSION

- Executive Bachelor's in Mechatronics Technology (Universiti Malaysia Pahang, UMP)
- Executive Bachelor's in Mechatronics Technology (Universiti Malaysia Sarawak, UNIMAS)
- Executive Bachelor's in Electrical and Electronics Engineering (Spectrum International College of Technology, SICT)

EXECUTIVE DIPLOMA IN ELECTRICAL AND ELECTRONICS ENGINEERING (Spectrum International College of Technology)

ENTRY REQUIREMENT

SPM

18 Years Old

Able to Speak and Write in English

DURATION

One (1) Year Delivery

Blended Learning

FEE STRUCTURE

Registration Fee : RM 500.00

Tuition Fee : RM 6,000.00

ENROLMENT DATES

Every Month
